Experience the excitement of the Roudé Leiw Polo Club's Coupe de Luxembourg from 1-2 July. Witness top-class polo matches with free entry, featuring more than 24 players from different countries showcasing their exceptional skills on the field.

Polo is a very niche sport. With nearly 20 years of history in Luxembourg, by now, quite some people know about the fact that polo also exists here in Luxembourg. 2023 is a very successful year for us, with nearly 50% growth in memberships. Considering that only 300 polo players are registered in all of Germany, while France has approximately 700 polo players, Luxembourg is relatively strong with its 16 players!

En partenariat avec le Roude Léiw Polo Club, Premium oeuvre à mettre cette discipline sous le feu des projecteurs tout en respectant le polo lifestyle. Sur un weekend de juillet, le tournoi réunira des joueurs locaux et internationaux, animés par la passion et la convivialité.

Sur cette étendue verte du terrain de Luxembourg/Merl, ce tournoi de polo offre un moment glamour et chaleureux à la fois. Alors que les équipes s'affrontent, les visiteurs (1500 visiteurs estimés sur l'ensemble du tournoi) peuvent découvrir ce sport ainsi que les artistes et artisans de prestige installés dans les pagodes. Une offre VIP est mise en place, tant pour une clientèle exigeante que les invités des partenaires. Sous la tente qui leur est réservée, un programme tout particulier : champagne, dîner gourmet, tombola prestigieuse et caritative, et enfin un brunch pour le dimanche de clôture. Cet événement est modelé pour les curieux, les amateurs ou passionnés, et mêle à la perfection le champêtre et le chic.

Polo with a Twist at World Arena Polo Championship 2025

DECCAN NEWS SERVICE
HYDERABAD

The World Arena Polo Championship 2025, hosted by the Hyderabad Polo and Riding Club (HPRC), witnessed an unexpected and thrilling spectacle—polo played with an auto-rickshaw instead of a horse!

Alexander Ludorf, President of Roude Léiw Polo Club, Luxembourg, took the sport to a whole new level by swapping the traditional steed for an auto, making for a unique and entertaining moment at the tournament. The unconventional twist was met with cheers from the audience, adding an element of fun to the intense competition.

With Hyderabad setting the stage for India's first-ever
